This is to advise you that the Department of Health Services (DHS) is exercising the delegated authority, approved by the Board on October 8, 2003, to accept Notice of Cooperative Agreement (NCA) No. US7/CCU922877-03 from the federal Centers for Disease Control and Prevention (CDC) providing funds in support of the County's Childhood Lead Poisoning Prevention Program (CLPPP).

In a letter dated June 18, 2005, the CDC sent DHS NCA No. US7/CCU922877-03 that provides funding for Fiscal Year 2005-06, the final year of the project, in the amount of \$706,000, for the continued support of DHS CLPPP existing program services.

County Counsel has reviewed and approved the NCA as to form. If you have any questions or need additional information, please let me know.
